SPORT DEVELOPMENT

A sports development officer aims to provide opportunities for the participation inside all sections of sport. Delivering information to organise sport-related projects such as talent identification coordinator or manager, competition manager, program coordinator, coaching, club development manager and training.

These programs have been designed to give you the knowledge and skills to apply within all levels of your chosen sporting discipline whether it’s for a local, national or even international club, organisation or athlete.

COURSE INFORMATION

Our Sport Development courses have been developed according to the requirements of the Sport, Fitness and Recreation Training Package (SIS10) and have been approved for delivery by the Australian Skills Quality Authority (ASQA). They are nationally recognised qualifications within the Australian Qualification Framework (AQF).

“Never give up! Failure and rejection are only the first step to succeeding.”
— Jim Valvano

STUDY PATHWAY

This study pathway enables Diploma graduates of the Sport Development qualification to obtain credit transfer to a university qualification through arrangements with the University of Canberra. To find our more contact Student Service of CSF.

STUDY TRACK

Our objective is to provide graduates with the necessary skills and knowledge that will empower them to successfully fulfill the demands of the workplace.

Training is delivered in stages that correspond to AQF levels II – Diploma. The desired pathway for a qualification is for students to complete the requirements of the previous level qualification before progressing to the next level – thereby achieving more than one qualification.

Applicants without the previous level qualification will be considered if they have relevant qualification and/or vocational experience.

FUNCTIONAL DELIVERY & ASSESSMENT TECHNIQUES

Delivery and assessment strategies have been selected to mirror the nature of all elements and performance criteria within each competency cooperatively providing the needs and learning styles of the learners.

ACADEMIC YEAR / START DATES

The year is divided into 4 terms. The academic year begins in February. Primary intakes are at the beginning of each term. Choice of subjects may be limited in mid-term intakes.
