## Proof of Identity

This application must be accompanied by a legitimate form of identification (e.g. Student ID card, Driver's license or passport showing name, photo and signature). If mailing, a certified copy must be supplied with the completed application form.

## Access and Equity

CSF has in place an access and equity policy that adheres to all National, State and Territory legislation. Equity in education means that there is equitable access to all courses and that all enrolled persons are able to participate and gain successful outcomes. These policies are supported by CSF's mission statements, general philosophy and documented operational procedures and processes. The Managing Director is responsible for the dissemination and implementation of access and equity policies and procedures.

## Access by Students to their Personal Records

All students have full access to their own personal records which are maintained in a secure location in the college filing system in individual files. Person must identify (ID required) themselves and seek access to their own file through a designated member of staff (usually a member of Student Services or the Director of Studies). Files remain on the premises. Privacy conditions prevail in that an unauthorised other person is not able to access another person's file without express written permission of the file owner. The Managing Director is responsible for the file security and storage.

## Use of Personal Information

If requested to do so the College of Sport & Fitness must provide to Commonwealth and State agencies and the Fund Manager of the ESOS Assurance Fund any personal information provided to the college by the student.

## Access and Equity Policies Set Out in Various Documents

Policies and procedures related to access and equity are set out in CSF's Code of Practice, Student Handbook and the Policies and Procedures Manual, and are also discussed in student orientation.
