

Policy

CSF believes that a student, who has a complaint or appeal, has the right to raise the complaint or appeal and expect that every effort will be made to resolve it in accordance with this policy, without prejudice or fear of reprisal or victimisation.

The student has the right to present the complaint or appeal formally and in writing.

CSF will manage all complaints and appeals fairly, equitably and efficiently as possible. CSF will encourage the parties to approach the complaint or appeal with an open mind and to resolve problems through discussion and conciliation. Where a complaint or appeal cannot be resolved through discussion and conciliation, CSF acknowledges the need for an appropriate external and independent person to mediate between the parties. The parties will be given the opportunity to formally present their case to the independent person.

Confidentiality will be maintained throughout the process of making and resolving complaints. CSF seeks to protect the rights and privacy of all involved and to facilitate the return to a comfortable and productive learning environment.

A copy of this Policy is available to all students and staff via student portal and is available in the Student and Staff Handbook. The information will also contain details of external authorities that they may approach.
